- Leveraging **nature-inspired strategies** for innovation
- Navigating **EU regulatory frameworks** and sustainability standards
- Accelerating **ESG-driven business** transformation
- Enhancing **quality standards** and development practices
- Building **meaningful connections** with industry peers and experts

BOSS MODE: ON! – YOUR WOMENNOVATOR PICKS OF THE MONTH 🌟

BOOK IT!

LEAN IN BY SHERYL SANDBERG

A powerful call to action for women to pursue their ambitions and challenge the barriers that hold them back.

Drawing from her own journey as COO of Facebook, Sandberg explores issues like leadership, confidence, and work-life balance—offering practical advice for women to "lean in" and lead with impact.

GIRL BOSS BY SOPHIA AMORUSO

An inspiring memoir-meets-manifesto, #GIRLBOSS traces Sophia Amoruso's journey from selling vintage clothes online to building the fashion empire Nasty Gal. Blending raw honesty with entrepreneurial insight, the book empowers women to trust their instincts, embrace their unique path, and build success on their own terms.

MOVIE NIGHT, BUT MAKE IT EMPOWERING

Gunjan Saxena: The Kargil Girl

Based on the true story of India's first female Air Force officer to fly in combat, this film is a powerful portrayal of courage, resilience, and breaking barriers. Gunjan Saxena: The Kargil Girl is a tribute to defying odds and proving that the sky is never the limit—especially when you're rewriting the rules.

Hidden Figures

A remarkable true story of three African-American women mathematicians at NASA who played pivotal roles in launching the first U.S. astronaut into orbit. Hidden Figures celebrates brilliance, perseverance, and the quiet power of breaking barriers—proving that history is written by those who dare to lead from behind the scenes.

GRANTS THAT GOT YOUR BACK
